

Pink Petals Cattery

Health Guarantee/Sales Agreement Form

Owned and Operated by : Kelli Norton

Use of the Kitten/Cat: It is agreed between breeder and purchaser that this cat is being acquired as a family companion animal, and unless otherwise stated, is not intended for breeding purposes.

Registration: The breeder certifies that the cat is eligible for registration under TCA, Inc. Also, we will provide any needed information if you wish to register your kitten with this or another organization.

Health: We offer kittens that we believe to be sound in mind and body, free from breed defects and diseases. **Breeder strongly encourages purchaser to have the cat seen by a Veterinarian of purchaser's choice within 72 hours of picking up the kitten.** Said kitten may be returned to the breeder for any reason within the two (2) weeks following purchase; provided that the kitten has not been abused or mistreated in ANY way. The purchaser will then be entitled to a refund of the original purchase price. If kitten is returned for other than health reasons, refund is subject to resale of the kitten and less than the non-refundable deposit. If your kitten becomes ill within 3 days from the day you receive it, you must call us immediately.

Ownership Responsibilities: The purchaser agrees to maintain the kitten/cat in a humane environment, and properly nurture and provide for the animal. We require that all kittens be vaccinated, and have annual check ups with your veterinarian. Also, we require proof of neuter/spay as soon as the kitten comes of age. If this is not done, the breeder will exercise all legal rights to reclaim the animal.

Right of Recovery/Placement: In the event that the purchaser is unable to keep the cat or to provide an appropriate home in accordance with this agreement, the purchaser agrees to notify the breeder if any such contingency arises and will not abandon the cat to a shelter or give the cat away without notifying the breeder. If the cat is to be sold, the purchaser must give the breeder the right of first refusal. We do not agree with any action of abandonment or sale by the purchaser, and will take legal action.

This Guarantee is only applicable to the original owner the kitten from us as written.
